

DO DID DIDN'T DON'T

AUGUST 25, 2016

WARM UP / BEATLES GROUP:

- Each person will take a verb out of the hat.
- I will write it on the board.
- I will ask the group if they did or didn't do that action.
Did you stand? Yes I did stand. Do you stand at work?
- We can also ask them if they did or didn't do that action yesterday, at work or at home.
- Not to worry, we will practice!

GUIDED PRACTICE:

- I have two practice sheets to do first
- Using pages 86 & 89 of the OPD we can ask questions about the actions of the people in the picture.
- Examples :
 1. Did he wear a red shirt?
No, he didn't.
What color shirt did he wear?
 2. Did he wear a belt?
No, he didn't.
 3. Did she wear a green dress?
Yes, she did.
Do you have a green dress?
 4. Did he button his shirt?
No, he didn't.
What did he do?
 5. Did she wear her hair up?
No, she didn't.
How did she wear her hair?
Did you wash your hair today?
- If you think your learner is able, have them ask you questions

We have a number of tutors that will be gone. We will have to see how this all plays out. If need be we can do a group the entire hour.
